

## 9-Inch Paint Roller Frame

This paint roller frame is designed for use with standard paint roller covers. The frame features a durable metal construction with a chrome finish and includes a comfortable plastic grip.

### Product Overview

#### Professional 9-Inch Paint Roller Frame

This heavy-duty American-style paint roller frame is engineered for reliability and ease of use in professional painting applications. Featuring a durable 5-wire cage design, it provides stable support for 9-inch roller covers, ensuring consistent paint application. The ergonomic handle is designed for comfort during extended use, making it an ideal choice for contractors and painters who demand high-quality, long-lasting tools.
