

# 9-Piece S2 Steel Hex Key Set

This 9-piece hex key set is made from S2 steel and hardened to HRCe59. It features a ball point design for accessing fasteners at a 30-degree angle.

## ADDITIONAL IMAGES

## Product Overview

### Professional-Grade Hex Key Set

This 9-piece hex key set is engineered from high-performance S2 steel, hardened to HRCe59 for exceptional durability. Designed for versatility, the set features a ball point design that allows for fastener access at angles up to 30 degrees. These tools undergo advanced vacuum heat treatment, resulting in performance levels 6.5 times higher than standard heat treatment methods.

## Technical Specifications
