

9 x 1/4 x 5/8-11 Abrasive Grinding Wheel

This is a 9 x 1/4 x 5/8 -11 grinding wheel. It is designed for aggressive material removal.

Product Overview

High-Performance Abrasive Grinding Wheel

This T27 DC angle grinding wheel is engineered for superior cost performance and safety during metalworking tasks. Designed for versatility, it handles various materials including steel, stainless steel, non-ferrous metals, non-ferrous alloys, concrete, and natural stone. It is an ideal choice for demanding applications such as grinding grey cast iron, cleaning switchboards, and chamfering edges.

Technical Specifications

Wheel Type	T27 DC Angle Grinding Wheel
Abrasive Grade	1 A / WA
Compatible Materials	Steel, Stainless Steel, Non-ferrous Metals, Non-ferrous Alloys, Concrete, Natural Stone, Grey Cast Iron
