

98L Commercial Ice Cream Display Freezer

This 98L ice cream display freezer utilizes forced air cooling to maintain a consistent temperature. It features adjustable shelves and a transparent glass door for product visibility.

Product Overview

Professional Ice Cream Display Solution

This 98L commercial ice cream display freezer is engineered for optimal product visibility and consistent performance in high-traffic environments. Featuring a forced-air cooling system, it ensures your ice cream remains at the perfect serving temperature at all times. Its compact design and adjustable shelving make it an ideal choice for convenience stores, cafes, and ice cream parlors with limited space.
