

# 9V Super Heavy Duty Battery 6F22

This 9V super heavy duty battery is a reliable power source for various electronic devices. It is designed for long-lasting performance and everyday use.

## ADDITIONAL IMAGES

## Product Overview

### Professional Power Solutions

This 9V super heavy-duty battery is engineered for high capacity and reliable performance in a wide range of portable electronic devices. It provides a stable and consistent power output, making it an ideal choice for both home and professional applications. Environmentally conscious in design, the unit contains no mercury-pollution.

## Technical Specifications

Battery Model	6F22
Voltage	9 V
Environmental	Mercury-free, No mercury-pollution

## Safety Guidelines

### Safety Instructions

- Do not recharge
- Do not dispose of in fire
- Do not heat
- Ensure correct insertion to avoid leakage

## Applications

### Recommended Uses

- Radios
- Remote controls
- Toys
- Portable electronics
