

A-Shape LED Light Bulb with E26 Base

This LED A-shape light bulb provides efficient and long-lasting illumination. It features a standard E26 base for easy installation and emits a bright, white light while minimizing energy consumption.

Overview

Versatile LED Lighting Solution

This A-Shape LED light bulb is engineered for efficient, long-lasting illumination suitable for both residential and commercial environments. Featuring a standard E26 base, it offers seamless compatibility with most existing fixtures. The bulb distinguishes itself with a tunable white feature, allowing users to switch between three distinct lighting modes to suit different atmospheres.
