

# ABS Rubber Coated Tape Measure

This tape measure features a durable ABS plastic case with a rubber overmold for enhanced grip. It includes both metric and imperial measurements and a push-button retraction mechanism.

## ADDITIONAL IMAGES

## Product Overview

### Professional Grade Measuring Tool

This professional-grade tape measure is engineered for durability and precision in demanding environments. Featuring a robust ABS plastic case with a protective rubber overmold, it offers superior impact resistance and a secure, non-slip grip. The high-quality steel blade includes both metric and imperial markings, making it a versatile tool for construction, carpentry, and general measuring tasks.

## Physical Specifications

Case Material	ABS Plastic with Rubber Overmold
Blade Width	19 mm

## Measurement Capabilities

### Measurement Range

<b>5 m</b> Metric Length	<b>16 ft</b> Imperial Length
