

Adjustable Clamp Work Light with Protective Cage

This robust work light is designed for demanding applications. Its adjustable clamp allows secure mounting on various surfaces, while the protective metal cage ensures durability and optimal light output.

Product Overview

Versatile Marine-Grade Lighting

This robust work light is engineered for demanding industrial, construction, and automotive environments. Featuring a protective metal cage and a highly reflective interior, it ensures both durability and optimal light output. The integrated adjustable clamp allows for secure, flexible mounting on a wide variety of surfaces, making it an essential tool for professionals needing reliable illumination.

Design and Build

Housing Color	Red
Reflector Finish	Silver
Protective Features	Protective Metal Cage, Highly Reflective Interior

Mounting and Utility

Primary Applications

- Industrial
- Construction
- Automotive
- Marine

Mounting Mechanism	Adjustable Clamp
