Overview

Versatile positioning for desktop or bedside use.

Versatile Desktop Stand

This adjustable, foldable stand is designed for both mobile phones and tablets, offering a stable and flexible solution for office, bedside, or desktop use. Constructed from durable, eco-friendly ABS and aluminum alloy, it features 360-degree rotation and adjustable height to ensure optimal viewing comfort. With a sturdy, weighted base and universal compatibility for devices between 4.0 and 10 inches, it is an essential accessory for hands-free video calls, media consumption, and professional multitasking.
