

Adjustable Height Pedestal Fan

This electrical fan is designed for household use. It features a circular protective grill, three blades, a height-adjustable stand and integrated control buttons.

Product Overview

Adjustable Height Pedestal Fan

This versatile pedestal fan is engineered for effective air circulation in indoor environments. Featuring a classic three-blade design and a sturdy circular protective grill, it delivers reliable cooling performance. The adjustable height stand and integrated pole-mounted controls allow for customized airflow and easy operation, making it a practical solution for office or household cooling needs.
