

Adjustable Height Pedestal Fan

This adjustable height pedestal fan provides cooling and ventilation. It features a three-blade design, adjustable height, and a four-legged base for stability.

Product Overview

Adjustable Height Pedestal Fan

This adjustable height pedestal fan is designed to provide efficient cooling and ventilation for both residential and office environments. Featuring a robust three-blade design enclosed within a protective safety grill, it ensures reliable performance and user safety. The unit is supported by a stable four-legged base and offers convenient height adjustments to suit various spatial requirements.
