

Adjustable Height Pedestal Fan

This pedestal fan provides air circulation and cooling for indoor use. It features a three-blade design enclosed within a circular safety grill and is mounted on an adjustable height stand.

Product Overview

Professional Air Circulation

This adjustable height pedestal fan is engineered for effective indoor air circulation and cooling. Featuring a robust three-blade design enclosed within a protective circular safety grill, it ensures both performance and operational safety. The unit is supported by a stable, rounded base and offers adjustable height settings to suit various workspace or residential environments.
