

# Adjustable Height Pedestal Fan

This adjustable height pedestal fan circulates air to cool indoor spaces. It features three blades enclosed in a circular wire cage and a stable base.

## Product Overview

### High-Performance Pedestal Fan

This adjustable height pedestal fan is engineered for effective indoor air circulation and cooling in professional environments. Featuring a robust three-blade design enclosed within a protective wire cage, it ensures both safety and optimal airflow. The unit includes a stable circular base and an adjustable pole, allowing users to customize the height for targeted ventilation.

## Technical Specifications

### Usage Environment

Indoor Use

### Construction Materials

Component	Material/Color
Motor Housing	Black
Pole	Silver
Base	Gray Plastic

### Number of Blades

3

### Design Features

Adjustable Height, Wire Cage Protection, Stable Base
