

Adjustable Height Pedestal Fan

This fan provides air circulation and ventilation in household or light commercial settings. It features a height-adjustable pole supported by a tripod base.

Product Overview

Adjustable Height Pedestal Fan

This standing electrical fan is designed for efficient air circulation and ventilation in household or light commercial environments. It features a robust three-blade design enclosed within a protective circular safety cage for secure operation. The unit is mounted on a height-adjustable pole, allowing users to customize airflow direction, and is supported by a stable tripod base.
