

Adjustable Height Pedestal Fan

This freestanding fan is designed for household use. It features a three-blade configuration enclosed within a circular safety grill and is mounted on an adjustable stand.

Product Overview

Efficient Cooling Solution

This adjustable height pedestal fan is designed to provide reliable and efficient air circulation for various environments. Featuring a classic three-blade configuration housed within a protective circular safety grill, it ensures both performance and user safety. The integrated control panel on the stand allows for convenient operation, making it a practical choice for maintaining comfortable temperatures.
