

# Adjustable Height Pedestal Fan with Remote

This electric fan features adjustable height and a remote control for convenient operation. The fan head is protected by a wire mesh and sits atop a stylish, transparent base.

## Product Overview

### Professional Cooling Solution

This adjustable height pedestal fan offers efficient air circulation for indoor environments, combining sleek design with practical functionality. Featuring a telescopic pole for height customization and a user-friendly remote control, it provides tailored comfort for office or home settings. The robust wire mesh guard ensures safety, while the stable rectangular base provides a modern aesthetic suitable for professional spaces.
