

Adjustable LCD Monitor Desk Mount

This LCD monitor mount features aluminum and steel construction with a C-clamp tightening screw. It has an adjustment knob, is height adjustable, and tilts without tools.

Product Overview

Ergonomic Desk Mount Solution

This adjustable LCD monitor desk mount is engineered to provide a secure and flexible support system for flat panel displays. Featuring a robust aluminum and steel construction, it offers essential ergonomic adjustments including tilt, swivel, and rotation to help reduce eye and neck strain. Ideal for professional office, home, and industrial environments, the mount includes a cable management system to maintain a clean and organized workspace.
