Product Overview

Adjustable Security Lighting

This LED outdoor security light is designed for enhanced security and energy efficiency, featuring two adjustable lamp heads for broad, directional illumination. Equipped with an integrated motion sensor, it automatically activates upon detecting movement, making it ideal for driveways, pathways, and residential yards. Its durable, weather-resistant construction ensures reliable performance in various outdoor conditions.

Technical Specifications

Lumen Output	600 lm
Light Source	2 x 3W COB LED
Motion Sensor	Yes

Design Features

Construction

Weather-resistant • Durable

Adjustable Heads	Yes
Recommended Applications	Driveways, Pathways, Yards, Security Lighting, Landscape Lighting
