

Adjustable Monitor Desk Mount for 12-32 inch Screens

This monitor desk mount is designed for 12-32 inch LCD flat screens. Mounting a monitor to a stand will clear up space on the desktop and can be used for standing desk applications.

Product Overview

Ergonomic Monitor Mounting Solution

This adjustable desk mount is designed to enhance your workstation by elevating your monitor to an optimal viewing height, helping to reduce neck, shoulder, and back strain. It supports flat-screen monitors ranging from 12 to 32 inches and features a robust steel construction capable of holding up to 18kg. With full tilt and swivel capabilities, this mount clears up valuable desk space and provides the flexibility needed for collaborative screen sharing.
