

Adjustable Pipe Wrench

This is a pipe wrench. It is adjustable with serrated jaws for plumbing applications.

Product Overview

Professional Grade Pipe Wrench

This heavy-duty pipe wrench is designed for professional plumbing applications, featuring a robust, forged construction for long-lasting performance in demanding environments. It is equipped with precision-serrated jaws that ensure a secure, non-slip grip on various pipes and fittings. The integrated threaded adjustment mechanism allows for quick and easy size modifications, making it a versatile and reliable tool for a wide range of plumbing tasks.
