

# Adjustable Steel TV Wall Mount Bracket

This TV wall mount bracket is constructed from high-gauge, cold-rolled steel for strength and durability. It features a safety lock and an ultra-slim design with angle-free tilt.

## Product Overview

### Professional Grade Mounting Solution

This adjustable steel TV wall mount bracket is engineered for reliability and sleek aesthetics in both home and professional environments. Constructed from high-gauge cold rolled steel, it ensures robust support for screens ranging from 32 to 50 inches. The ultra-slim design keeps your display close to the wall, while the angle-free tilt mechanism allows for optimal viewing comfort.
