

Adjustable TV Wall Mount Bracket

This TV wall mount bracket is constructed from high tensile seamless tubing and SPCC with a coating finish. It fits 32-75 inch LED, LCD, OLED and Plasma flat screen TVs with VESA compatibility ranging from 200x100mm to 600x400mm.

Product Overview

Professional Adjustable TV Wall Mount

This high-performance wall mount is designed for 32 to 55-inch flat panel TVs, offering exceptional versatility for commercial and residential installations. Built from durable high-tensile seamless tubing with a specialized SPCC coating, it ensures reliable stability and a premium finish. With a wide range of swivel and tilt adjustments, this bracket provides the flexibility needed to achieve the perfect viewing angle in any professional environment.
