

Adult Step-Through Tricycle with Backrest

This tricycle is designed with a step-through frame for easy mounting and dismounting. It includes front and rear fenders and a comfortable rear seat with a backrest.

Product Overview

Comfortable Mobility Solution

This adult step-through tricycle is engineered for stability and ease of use, providing a reliable alternative to traditional two-wheeled bicycles. Featuring a low-entry frame design, it ensures effortless mounting and dismounting for riders of various ages. The inclusion of a supportive rear backrest enhances comfort during longer rides, making it an ideal choice for leisure and daily transport.
