

Adult Step-Through Tricycle with Storage

This tricycle is designed with a step-through frame, making it easy for adults to get on and off. It includes a storage box located behind the seat.

Product Overview

Designed for Comfort and Stability

This adult step-through tricycle provides a stable and secure mobility solution for daily use. Featuring a low-frame design for easy mounting and dismounting, it includes a supportive seat with armrests for enhanced comfort. An integrated storage box located behind the seat offers practical utility for transporting personal items or goods.
