Product Overview

Reliable Power for Critical Equipment

This replacement battery pack is engineered to provide consistent and dependable power for automated external defibrillators. Designed with a focus on safety and performance, it ensures your life-saving equipment remains operational when needed most. The unit features high-quality construction and clear safety labeling to facilitate proper handling and disposal.

Technical Specifications

Voltage	12 V
Capacity	1300 mAh
Battery Chemistry	Ni-MH
Weight	946 g
Dimensions	112 x 85 x 23 mm

Compatibility

Compatible Models

- SCP 913
- SCP 915
- SCP 922

Design & Safety

Color	White / Yellow
Safety Warnings	Do not incinerate, Proper disposal required
Part Number	30344030
