

Agricultural Mist Sprayer

This agricultural mist sprayer is designed for efficient crop protection. It disperses liquids in fine droplets to ensure optimal application.

Product Overview

Professional Agricultural Mist Sprayer

This high-performance agricultural mist sprayer is engineered for efficient crop protection and pest control. Featuring a robust 30L container capacity and a powerful 2.0KW engine, it is designed to provide consistent coverage and reliable operation in demanding field conditions. Its ergonomic design and 13kg net weight ensure ease of handling for professional agricultural applications.

Technical Specifications

Max Power

2 KW
Max Power

Item Number	3F-30
Mating Engine	1E46F
Max Power RPM	7500 R/MIN

Performance

Spray Range	12 m
-------------	------

Capacity

Fuel Tank Capacity	1.3 L
Container Capacity	30 L

Physical Dimensions

Net Weight	13 KGS
Packing Dimensions	550 x 452 x 830 mm
