

Agricultural Wheel Tractor

This red wheel tractor is designed for agricultural applications. It features a cabin for operator comfort and protection, along with standard agricultural tires and front and rear axles.

Product Overview

High-Performance Agricultural Tractor

This medium-sized agricultural wheel tractor is engineered to provide reliability and efficiency for a variety of farm tasks. Featuring a fully enclosed cabin, it ensures operator comfort and safety during extended working hours. Its robust design, including standard agricultural tires and a sturdy axle configuration, makes it an ideal solution for modern agricultural operations.
