

All-in-One CD Player with FM Radio and USB Ports

This compact system features a CD player compatible with CD, CD-R, and CD-RW formats and an FM radio tuner with digital display. Dual USB ports enable MP3 playback and device charging.

Product Overview

Compact All-in-One Audio Solution

This versatile audio system combines a front-loading CD player, an FM radio tuner, and modern connectivity options into a single, compact unit. Designed for both playback and utility, it features integrated speakers and a clean, professional aesthetic suitable for various environments. With dual USB ports for MP3 playback and device charging, this system offers a practical and efficient audio solution for professional workspaces or commercial settings.
