

Aluminum 4-Step Ladder with Tool Tray

This aluminum ladder features four steps for reaching elevated areas around the home. It includes a tool tray for holding supplies and folds for compact storage.

Overview

Professional Aluminum 4-Step Ladder

This lightweight and durable aluminum 4-step household ladder is engineered for safety and convenience during elevated tasks. It features a sturdy construction with non-slip steps and a secure locking mechanism to ensure maximum stability. The integrated practical work tray provides a dedicated space for tools and materials, while the foldable design allows for effortless storage and transportation.
