

Aluminum 5-Step Ladder with Work Tray

This aluminum 5-step ladder is designed for household use. It includes a work tray for holding tools and materials.

Product Overview

Professional Aluminum 5-Step Ladder

This lightweight and durable 5-step ladder is designed for versatile household and professional use, featuring a convenient integrated work tray for tools and materials. Constructed with high-quality aluminum frames and non-slip components, it ensures stability and safety during tasks such as painting, cleaning, and repairs. The ladder's compact folding design allows for easy storage, while the anodic oxidation finish provides long-lasting performance and corrosion resistance.
