

Aluminum Folding Hand Truck

This aluminum hand truck is a lightweight and durable solution for transporting goods. Its telescopic handle and sturdy wheels facilitate easy maneuverability on various surfaces, while its folding design ensures convenient storage.

Product Overview

Lightweight & Durable Transport Solution

The AXL80C Aluminium Hand Truck is a versatile and robust tool designed for efficient goods transport. Constructed from high-grade aluminum alloy, it balances exceptional strength with a lightweight frame for easy maneuverability. Its intelligent folding design and telescopic handle ensure it can be stored compactly in small spaces, making it an ideal choice for both commercial and personal logistics.

Key Performance Metrics

Load Capacity

80 kg

Max Load

Technical Specifications

Material	Aluminum alloy
Wheel Type	Solid rubber

Design & Features

Core Features	Telescopic handle, Adjustable height, Folding design, Lightweight
---------------	---

Usage

Suitable For

- Commercial logistics
- Personal use
- Moving boxes
- Transporting equipment
