

Aluminum Hand Truck with Adjustable Handle

This hand truck is made from lightweight and durable aluminum. It has smooth-rolling wheels and a telescopic handle adjustable from 70cm to 100cm.

Overview

Lightweight Aluminum Hand Truck

This durable hand truck is constructed from high-quality aluminum alloy, designed for easy maneuverability and efficient transport of goods. It features a sturdy frame, smooth-rolling wheels, and a telescopic handle for adjustable height, making it ideal for various applications in warehouses, workshops, and delivery services. Its compact design allows for easy storage when not in use.
