Product Overview

American Pattern Eye Hook

The American Pattern Eye Hook is a heavy-duty lifting component engineered for secure and reliable connections in industrial and construction environments. Constructed from high-grade alloy steel, it offers exceptional strength and durability for demanding lifting operations. Featuring a robust safety latch to prevent accidental disengagement, this hook is designed for easy attachment to chains, ropes, and various rigging hardware.

Technical Specifications

Working Load Limit

0.5 TON
W.L.L.

Material	High-grade alloy steel
Safety Features	Safety Latch, Heavy-duty Design

Certifications

Compliance Standards

- ISO 9001:2008 (Quality Management)
- OHSAS 18001:2007 (Occupational Health and Safety)
- ISO 14001:2004 (Environmental Management)
