

Antique Brass Finish Ceiling Fan with Light

This elegant ceiling fan features an antique brass finish and five wooden blades. It includes an integrated light kit with multiple tulip-shaped glass shades, providing ambient illumination.

Product Overview

Vintage Elegance Meets Energy Efficiency

This antique brass finish ceiling fan combines classic aesthetic appeal with practical climate control solutions. Designed with five wooden blades and an integrated tulip-style light kit, it serves as both a functional cooling device and a decorative centerpiece. By optimizing air circulation, this fan helps reduce reliance on air conditioning systems, potentially lowering energy consumption by up to 40%.

Design & Aesthetics

Finish	Antique Brass
Blade Material	Wood
