

Antique Brass Finish Ceiling Fan with Wooden Blades and Amber Lights

This ceiling fan features an antique brass finish, complemented by five wooden blades. It includes three decorative lights with amber-tinted shades, providing both cooling and illumination for indoor spaces.

Overview

Elegant Cooling and Illumination

This antique brass finish ceiling fan combines classic aesthetic appeal with functional cooling and lighting. Featuring five dark wooden blades and three amber-tinted light fixtures, it adds a touch of sophistication to living rooms, bedrooms, or dining areas. Beyond its visual charm, the fan is designed for energy efficiency, helping to circulate air and reduce reliance on air conditioning systems.

Design & Materials

Finish & Style	Antique Brass
Blade Material	Wood
Number of Blades	5

Lighting

Light Fixtures	3
Shade Style	Amber-tinted

Efficiency & Savings

Energy Savings Potential

P Number	Rated Power (W)	Saving/Day (\$)
1P	1200	2.622
2P	2200	5.182
3P	3100	7.486

Operational Benefit	Reduces air conditioning load by up to 40% when used in conjunction with climate control systems.
