

Articulating TV Wall Mount Bracket

This articulating TV wall mount bracket is made from high gauge cold rolled steel. It features angle free tilt and 360° rotation and includes a universal hardware pack.

Product Overview

Professional Articulating TV Mount

This high-quality articulating TV wall mount is engineered from high-gauge cold-rolled steel, ensuring durability and stability for small to medium-sized displays. Featuring a versatile ball design, it offers a full range of motion including angle-free tilt, 360-degree rotation, and 120-degree swivel for the perfect viewing angle. Designed for efficiency, it includes a universal hardware pack for quick installation and is available in both black and silver finishes.
