

Assorted Fastener Set with Bolts and Wire Rope Clip

This fastener set includes carriage bolts, nuts, and washers for versatile applications. A wire rope clip is included for creating loops or securing wire rope ends.

Product Overview

Versatile Fastener Assortment

This comprehensive fastener set includes a selection of carriage bolts, nuts, washers, and a wire rope clip designed for diverse assembly needs. The carriage bolts feature a smooth, rounded head, making them ideal for applications in wood or metal where a flush, snag-free surface is required. Additionally, the included wire rope clip provides a reliable solution for creating loops or securing the ends of cables and wire ropes.

Product Details

Included Components

- Carriage bolts
- Nuts
- Washers
- Wire rope clip

Bolt Characteristics

Smooth rounded head, Flush surface design

Application

Primary Applications

Wood assembly, Metal assembly, Cable securing, Loop formation
