

Audio Video Cable Connector Assortment

These audio video cable connectors facilitate connections between various devices. Configurations include SCART to SCART, SCART to RCA, Mini 4P to RCA, and S-VHS to RCA.

Product Overview

Versatile Audio/Video Connectivity Solution

This comprehensive assortment of audio and video cable connectors is engineered to facilitate seamless signal transmission between legacy and modern multimedia devices. The collection includes various configurations such as SCART, RCA, Mini 4P, and S-VHS, ensuring compatibility across a wide range of audio-visual setups. Built for durability and reliable performance, these cables are an essential toolkit for technicians and AV enthusiasts managing multi-device integrations.

Technical Specifications

Model Variations

- RHC-8016E (SCART to 3x SCART)
- RHC-8016H (SCART to 2x SCART + 3x RCA)
- RHC-8020C (SCART to SCART + 3x RCA)
- RHC-8040A (Mini 4P to 2x RCA)
- RHC-8041R (S-VHS + 2x RCA to S-VHS + 2x RCA)

Cable Outer Diameter

2.6 mm

S-VHS/RCA Cable OD

Connector Configurations

SCART, RCA, Mini 4P, S-VHS
