

Automatic LED Night Light

This automatic LED night light provides a soft, ambient glow in dark environments. It features a light sensor that automatically turns the light on at dusk and off at dawn, offering energy efficiency and convenience.

Overview

Smart Illumination for Modern Spaces

This automatic LED night light provides a soft, ambient glow in dark environments, perfect for bedrooms, hallways, and bathrooms. Featuring an integrated light sensor, it intelligently activates at dusk and powers down at dawn, ensuring optimal energy efficiency. Its compact, durable design allows for seamless installation in any standard electrical outlet, creating a safe and comfortable atmosphere throughout your home.

Technical Specifications

Sensor Technology	Automatic Light Sensor
Operation Mode	Dusk-to-Dawn, Automatic
Light Source	LED
Installation	Plug-in (Standard Electrical Outlet)

Features

Key Benefits

- Energy efficient dusk-to-dawn operation
- Compact and unobtrusive design
- Soft, ambient lighting for safety
- Durable construction for long-lasting performance

Ideal Usage Areas

Bedroom • Hallway • Bathroom
