

Automatic Wine Opener Set with Foil Cutter and Vacuum Stopper

This wine accessory set includes an automatic air pump wine opener, a foil cutter, and a vacuum stopper. The vacuum stopper helps preserve the freshness of opened wine bottles.

ADDITIONAL IMAGES

Overview

Complete wine preservation set including air pump, foil cutter, and vacuum stoppers.

Professional Wine Preservation System

This automatic wine preservation set is designed to extend the shelf life of opened wine by efficiently removing air from the bottle. The system includes an intelligent air pump, a precision foil cutter, and a reusable vacuum stopper with a built-in date scale. Engineered for ease of use, it features automatic operation, safety inclination sensors, and a sleek, ergonomic design perfect for both home enthusiasts and professional hospitality settings.
