Product Overview

High-Performance Automotive A/C Condenser

This parallel flow condenser is engineered for high-efficiency heat transfer and optimal cooling performance in automotive air conditioning systems. Constructed from durable aluminum with a compact design, it ensures long-lasting reliability and resistance to corrosion. Designed to meet or exceed OEM specifications, it provides a perfect fit for specific vehicle models while maintaining a comfortable cabin temperature.

Technical Specifications

Core Material

Aluminum

Condenser Type

Parallel flow condenser

DPI Number

3789

Available Colors

Silver, Black

Vehicle Compatibility

Compatible Models

- 2010-2012 Chevrolet Equinox
- 2010-2012 GMC Terrain

OE Number

20839794

OE Reference

Quality & Compliance

Quality Certifications	SGS, ISO/TS 16949:2009
Warranty	12 Months

Supply & Logistics

Supply Ability

600 Sets

Daily Capacity

Standard & Custom Packaging

Neutral package: each unit is placed in an individual inner box with paperboard, then packed in outer neutral cartons with belts. Customized packaging options are available upon request.

Minimum Order Quantity	50 PCS
Delivery Time	45 Days
Available Ports	Nanchang, Ningbo, Shanghai, Guangzhou
