Product Overview

High-Performance AC Condenser

This automotive air conditioning condenser is precision-engineered to deliver efficient heat transfer and optimal cooling capacity for your vehicle's climate control system. Designed to meet or exceed OEM specifications, it ensures a perfect fit, reliable operation, and a long service life. Its durable construction features high-quality materials, making it an ideal replacement part for maintaining cabin comfort.

Vehicle Compatibility

Compatible Vehicles	Hyundai Santa Fe (DM), Hyundai IX45
Model Years	2012 onwards

Technical Specifications

OEM Reference	97606-2W500
Core Dimensions	695 x 435 x 16 mm
DPI Number	4227
Nissens Reference	940392
TS ID	88-70036
