Overview

High-Performance Automotive Condenser

This automotive air conditioning condenser is engineered for efficient heat transfer and optimal cooling performance. Constructed with durable materials and tightly packed fins, it provides maximum surface area and superior corrosion resistance. Designed to meet or exceed OEM specifications, it ensures a direct fit and reliable operation across various vehicle models.

Key Performance Metrics

Performance Highlights

1 Year

Warranty Period

50 Pcs

Minimum Order

Technical Identification

OE Number

68102117AA

Model Number

AC640

Quality & Compliance

Certifications

ISO/TS 16949:2009, Certificated

Design & Construction

Key Features

- High-efficiency heat transfer fins
- Corrosion-resistant construction
- Multiple connection points for easy installation
- Optimized airflow design
- Direct OEM fitment

Logistics & Trade

Packaging	Neutral Packing
Payment Terms	T/T
Place of Origin	China (Mainland)
