

Automotive Steering Cross Rod

High-quality cross rod designed for automotive steering systems. This durable component ensures precise steering and control and is manufactured to meet stringent industry standards for optimal performance and reliability.

Product Overview

High-Performance Steering Component

This automotive steering cross rod is engineered for precise vehicle control and long-term durability. Designed to meet rigorous industry standards, this component ensures reliable performance under demanding driving conditions. It is a critical replacement part for maintaining steering integrity in compatible light truck and SUV platforms.

Compatibility

Compatible Vehicle Models

- Chevrolet Blazer (1995-2005)
- Chevrolet S10 Blazer (1983-1994)
- Chevrolet S10 Pickup (1982-2003)
- GMC Jimmy (1992-2002)
- GMC S15 Jimmy (1983-1991)
- GMC S15 Pickup (1982-1990)
- GMC Sonoma (1991-2003)
- Isuzu Hombre (1996-2000)
