Product Overview

High-Performance Automotive V-Ribbed Belt

This V-ribbed belt, also known as a PK belt, is engineered for efficient power transmission in automotive systems. Designed with multiple longitudinal V-shaped ribs, it ensures superior grip and reliable performance under demanding conditions. Constructed from durable chloroprene rubber and fiber, this belt offers long-lasting resistance to wear and heat, making it an ideal choice for maintaining smooth vehicle operation.

Technical Specifications

Part Number	6PK1005
Belt Type	V-Ribbed (PK Belt)
Material	Chloroprene Rubber, Fiber
Surface Finish	Rough Surface

Performance & Compatibility

Compatible Makes

- PEUGEOT
- CITROEN

Expected Life Span

30000 KMS

Minimum

60000 KMS

Maximum

Logistics & Packaging

Packaging

Standard Exporting Carton • Neutral Packing • Custom Box Available

Delivery Time

30 days (depending on order quantity)
