

# Baseball Style Bump Cap

This baseball style bump cap offers lightweight head protection in environments where hard hats are not required. Designed to resemble a standard baseball cap, it provides comfort and style while safeguarding against minor bumps and abrasions.

## ADDITIONAL IMAGES

## Product Overview

### Professional Head Protection

Designed for environments where hard hats are not mandatory but protection against minor bumps and scrapes is essential. This baseball-style bump cap combines the comfort of casual headwear with a durable inner shell to safeguard against stationary hazards like low beams or piping. Featuring a breathable construction and adjustable fit, it is an ideal solution for mechanics, assembly line workers, and maintenance professionals.

## Technical Specifications

Inner Shell Material	ABS Polymer
Outer Material	Polycotton
Integrated Venting	Yes
Adjustment Mechanism	Hook-and-Loop

## Design & Aesthetics

### Visibility Features

High-Visibility
