

Beaded Wrist Watch with Stone Accents

Elegant beaded wrist watches featuring unique designs. The watches showcase decorative stone accents, adding a touch of sophistication and style.

Product Overview

Elegant Beaded Wrist Watches

These beaded wrist watches offer a sophisticated blend of style and functionality, featuring unique decorative stone accents. Designed to add a distinctive flair to any outfit, they come in two distinct styles: one with brown rectangular beads and another with black spherical beads. Perfect for buyers looking for fashionable accessories that stand out.
