

# Beverage Display Freezer with Transparent Door

This beverage display freezer is designed for commercial use. It features a transparent door that allows customers to easily view the selection of chilled drinks.

## Product Overview

### Compact Beverage Display Solution

This compact beverage display freezer is designed for efficient cooling and high-visibility merchandising. Featuring a transparent door and interior wire shelving, it is ideal for showcasing bottled or canned drinks in retail or hospitality environments. With adjustable temperature controls and energy-efficient operation, it ensures optimal storage conditions while maintaining a small footprint.

## Technical Specifications

Cooling System	Compressor-based
Temperature Range	0 - 10°C
Refrigerant	R134a (45g)
Climate Class	N

## Power & Efficiency

### Power Performance

<b>82 W</b> Input Power	<b>0.7 kW-h/24h</b> Energy Consumption
----------------------------	---

Voltage Compatibility	AC110V/60Hz, 200-240V/50Hz
-----------------------	----------------------------

## Dimensions & Logistics

### Container Loading Capacity

Container Type	Quantity
20GP	132
40GP	288
40HQ	288

Product Dimensions (WxDxH)	440 x 420 x 605 mm
Weight (Net/Gross)	22 / 24 kg
