

Black and Yellow Front Grille for 2013-2014 VW Golf 7 R400

This front grille is designed for VW Golf 7 R400 models from 2013-2014. It features a black finish with a yellow accent stripe and is made from durable materials.

Product Overview

Performance-Inspired Front Grille

This premium front grille is specifically engineered for the 2013-2014 model years of the vehicle. Designed with a striking black and yellow finish, it offers an immediate aesthetic upgrade that captures the aggressive look of high-performance editions. Constructed from durable, high-quality material, this grille ensures a direct-fit replacement that maintains structural integrity against road debris and various environmental conditions.
