

Black Scooter Motorcycle with Step-Through Frame

This scooter motorcycle features a step-through frame design. It is equipped with front disc brakes, rear drum brakes, and chrome crash bars.

Overview

Versatile Urban Commuter

This black scooter-style motorcycle features a convenient step-through frame design, making it an excellent choice for daily urban commuting and short-distance travel. Equipped with essential safety features like front disc brakes and integrated headlights, it offers a reliable and comfortable riding experience. The inclusion of a rear luggage rack and chrome crash bars adds both utility and durability to this practical two-wheeler.
